Flutter

Dart

Accessibility

Public speaking

Profile

Highly motivated and fast-learning Flutter developer with excellent communication skills. Experienced in community engagement and public speaking as a co-organizer of the Flutter Berlin meet-up. Passionate about using technology to positively impact people's lives, with a strong focus on accessibility in my work.

Employment History

Coding Instructor/Mentor (Part-Time, Hourly Basis), Masterschool

August 2024 — Present

- Instructed students in programming and programming-related soft skills, fostering both technical and interpersonal growth.
- Evaluated student progress and delivered constructive feedback to enhance understanding of coding concepts.
- Designed and implemented a series of coding challenges to measure progress and pinpoint areas for improvement.
- Developed personalized, goal-oriented curricula to support students in achieving their programming objectives.

Senior Mobile Engineer, antigua mobile, Berlin

February 2024 — Present

- Led a cross-functional team through the redesign phase of a mobile application from agency side, ensuring alignment with client vision and project goals.
- Managed client relationships, facilitating effective communication and collaboration throughout the project life cycle.
- Developed and implemented strategies to accelerate project timelines, successfully meeting tight deadlines without compromising quality.
- Created accessibility audits for apps
- Organized and facilitated daily SCRUM meetings, fostering a collaborative environment and enhancing team productivity.
